3 FAQ: you ask, we answer

FAQ list [→](#)

How do we get access to EqHub?

If your company is new to Collabor8 services – Please complete the [Signup form](#) [→](#)

What is Hello?  **hello**

Hello provides consolidated user accounts management and user authentication services across the service portfolio, and enables Offshore Norge to deliver secure access services via the internet.

Is there a *subscription fee*?

No, EqHub is free of charge. The continuous development and operational costs of EqHub are covered by the operators on the NCS.
